

Dental Services	Cost, P
Diagnostics	
First Dentist Consultation (up to 30 minutes)	3 500
First Top Dentist Consultation (up to 30 minutes)	5 000
New patient office visit without further treatment plan	800
Dentist Consultation (up to 30 minutes)	5 000
Follow-up Dentist Oral Exam	2 500
Follow-up Top Dentist Oral Exam	4 000
House Call, Dentist (within Moscow Ring Road)	22 000
House Call by Dental Nurse (within Moscow Ring Road)	11 000
Extended Dentist Consultation (more than 30 minutes)	8 500
Anesthesiologist's Consultation	4 500
X-Ray (per image)	1 200
Panoramic X-Ray	6 000
3D CT scan	8 000
3D CT Scan for dynamic monitoring	3 000
Tele-radiograph (TRG) in one projection: frontal/lateral	5 500
TRG (tele-radiograph) analysis for a single projection	4 000
MRI of temporomandibular joint (one joint)	25 190
MRI of temporomandibular joint (two joints)	33 880
MRI of temporomandibular joint with functional tests (one joint)	28 820
MRI of temporomandibular joint with functional tests (two joints)	36 300
Anesthesia/Sedation	
Application anesthesia	500
Local block anesthesia	3 000
Local infiltration anesthesia	1 800
Nitrous Oxide Sedation (30 min)	4 500
Nitrous Oxide Sedation (over 30 min)	7 000
Combined endotracheal anesthesia (per hour)	30 000
Combined endotracheal anesthesia (each subsequent 30 min)	15 000
Sedation using a Diprifusor (1 hour)	22 000
Sedation using a Diprifusor (each subsequent 30 min)	11 000
Preventive Services	
Professional oral hygiene for primary dentition	8 000
Professional oral hygiene for mixed dentition (both jaws)	12 500
Professional oral hygiene for mixed dentition (one jaw)	7 000

Professional oral hygiene for permanent dentition (both jaws)	15 500
Professional oral hygiene for permanent dentition (one jaw)	8 500
Professional oral hygiene using Prophylaxis Master device	21 000
Professional hygiene before an operation/ during orthodontic treatment	10 165
Professional oral hygiene after orthodontic appliance removal (one jaw)	12 500
Oral hygiene education & personalized product selection (during consultation)	4 300
Scaling (per tooth)	500
Air-Flow (per tooth)	480
Teeth Whitening	
ZOOM 4 Professional Teeth Whitening	51 700
Dental tray for home teeth whitening set (one jaw)	6 300
Professional home teeth whitening set	19 500
Standard Dental tray for home teeth whitening set (1 unit)	2 500
Restorative dentistry	
Composite 1 surface filling	13 000
Composite 2 surfaces filling	15 000
Composite 3 surfaces filling	17 000
Core buildup for crown	17 000
Caries treatment (Icon system, 1 tooth)	7 500
Anatomic & functional tooth restoration	26 000
Temporary filling (prolonged use)	5 000
Fiber post	6 800
Inlay Restoration	60 000
Temporary Inlay Restoration	6 000
Diagnostic Tooth Preparation	9 000
Pediatric Dentistry	
Fissure sealing (per tooth)	4 700
Temporary Filling (for patients under 18)	5 000
Fluoride treatment (one tooth)	400
One-Surface Composite Filling (Primary Tooth)	10 000
Two-Surface Composite Filling (Primary Tooth)	13 000
Three-Surface Composite Filling (Primary Tooth)	15 000
Restoration of Primary Tooth with >50% Destruction	19 000
Reattachment of Patient's Own Tooth Fragment (Post-Trauma)	13 000
Direct Splinting (per tooth)	5 000
Fiber-Reinforced Composite Bridge (Single Unit)	25 000

Tooth Replantation	12 500
Post-Endodontic Restoration of Primary Tooth	16 000
Pulpotomy	20 000
Vital Pulp Therapy	7 000
Root Canal Treatment of a Single-Rooted Primary Tooth	10 000
Root Canal Treatment of a Multi-Rooted Primary Tooth	15 000
Temporary Root Canal Filling of a Primary Tooth with Medicinal Paste	4 000
Two-Stage Dental Revascularization	14 000
Apexification	8 000
Previously initiated dental treatment requiring completion	3 500
Removal of a mobile baby tooth	6 300
Removal of a baby tooth	7 900
Removal of a decayed baby tooth	9 450
Restoration of Primary Tooth with Stainless Steel Crown	15 000
Standard aesthetic dental crown	20 000
Restoration with a Custom-Made Esthetic Crown	55 000
Endodontics	
Root canal treatment (per root)	12 500
Root canal mechanical and medicamental treatment (separate procedure)	6 700
Diagnostic Endodontic Retreatment	5 400
Root Canal Retreatment	5 400
Removal of a Broken Instrument	14 000
Post Removal	10 000
Inlay Removal	14 000
3D Root Canal Obturation	6 000
Use of Biocompatible Material for Vital Pulp Preservation	5 100
Internal Tooth Bleaching of an Endodontically Treated Tooth	5 500
Temporary one root canal filling	3 900
Emergency Treatment for Acute Pulpitis Pain (Permanent Tooth)	15 000
Comprehensive Therapeutic Dental Service	6 500
Surgery	
Tooth extraction, 1 degree of complexity	8 500
Complicated Tooth Extraction	21 000
Surgical Removal of an Impacted and Malposed Tooth	30 000
Suturing (less than 5)	5 000
Suturing (more than 5)	8 000
Crown lengthening	13 000
PRF procedure	14 000
Gingivectomy	6 400
Laser gingivectomy	9 500

Apicoectomy	29 000
Retrograde filling of the tooth root (1 unit)	30 000
Attached Gingiva Augmentation	25 000
Frenectomy	14 300
Laser Frenectomy / Frenuloplasty	17 600
Cystectomy	16 500
Mucosal overgrowth incision	6 700
Laser mucosal overgrowth incision	14 000
Vestibuloplasty	30 700
Laser vestibuloplasty	32 900
Osteotomy	30 000
Autotransplantation of a Multi-Rooted Tooth	60 000
Autotransplantation of a Single-Rooted Tooth	40 000
Comprehensive Oral Surgery Service	5 000
Laser dentistry	
Laser diagnostics of caries	5 300
Laser Teeth Whitening (per tooth)	3 500
Laser desensitizing (per tooth)	2 000
Laser sterilization of the one root tooth	2 500
Laser treatment per gingival tooth pocket (per visit)	8 000
Laser crown lengthening	20 000
Laser treatment of periimplantitis (per visit)	14 500
Laser abscess incision	9 500
Laser treatment of herpes, aphthous stomatitis	4 000
Periodontics	
Professional Oral Hygiene with a Periodontist after Orthodontic Treatment (one jaw)	15 000
Professional Oral Hygiene with Prophylaxis Master (by Periodontist)	22 000
Supragingival Scaling (per tooth)	5 500
Surgical Drainage of an Abscess	7 300
Periodontal Procedure	5 000
Recession Coverage	18 000
Tunnel Technique for Recession Coverage	35 000
Connective Tissue Graft Harvesting	20 000
Oral Hygiene Education & Personalized Product Selection with a Periodontist	5 000
Subgingival Scaling (per tooth)	5 000
Periodontal Maintenance Therapy	20 000
Splinting with the system Ribbond Splint-It (per tooth)	5 400
Periodontal Regenerative Material (up to 2 teeth)	50 000
Removal and installation of implant supported screw fixation denture for hygienic procedures	17 000
Treatment of periimplantitis	16 500

Implantology	
Dental Implant Placement Surgery	75 000
Soft Tissue Augmentation at Implant Site	10 000
Neodent Implant	20 000
Astra Implant	30 000
Cortical Implant	18 000
Placement of a Custom Healing Abutment	21 000
Healing cap	18 500
Temporary implant/ mini implant	30 000
Installation of a zygomatic mini screw, 1 unit	44 000
Closure of Oroantral Communication	25 000
Alveolar ridge split	43 900
Open Sinus Lift	65 000
Sinus lifting (crestal approach)	39 900
Bone grafting (1 area)	53 000
3D Alveolar Ridge Augmentation	106 200
Barrier membrane implanation (resorbable)	55 500
Nailing of membrane with titanium pins	21 000
PTFE membrane with titanium reinforcement	95 000
Bone Graft Material (0.5 g)	59 000
Implant removal	25 000
Fabrication of a Custom Surgical Guide (1-4 teeth)	15 500
Fabrication of a Custom Surgical Guide (4-6 teeth)	30 000
Fabrication of a Custom Surgical Guide (Complex, for Full Arch / Edentulous Jaw)	50 000
Prosthetics on implants	
Multi-Unit Abutment / Locator Attachment	60 000
Temporary abutment	13 200
Crown with screw fixation with support on the implant, zirconium oxide/ E-max	116 000
Crown on Implant with Cement-Retained Abutment (Full Set)	134 000
Use of Prosthetic Components (Implant Analogue / Healing Abutment / Transfer / Scan Body) for Prosthetic Fabrication on an Externally Placed Implant (per unit)	18 480
Prosthetics on basal implants, 1 jaw, including 8-14 implants, permanent prosthesis (zirconium oxide)	1 600 000
Implants supported nonremovable screw fixation denture (1 jaw)	600 000
Full-Arch Screw-Retained Monolithic Zirconia (Prettau) Prosthesis on Implants	1 450 000
Half-removable prosthesis on implant with fixat, 1 jaw	415 000
Replacement of Prosthetic/Orthopedic Appliances (1 unit)	30 000

Prosthetics	
Diagnostics and secondary procedures	
Digital 3D scan, upper and lower jaws	6 500
Facebow registration	5 900
Registration with a digital facial arc	12 100
Myography	12 000
Myography (follow-up)	6 000
Functional Analysis (Condylography/Electronic Jaw Tracking)	80 000
Kois deprogramming	26 400
Custom Night Guard for One Jaw	24 500
Custom Night Guard for One Jaw	24 500
Mandibular Advancement Device for Sleep Apnea	121 500
Digital modeling, 1 tooth	6 400
Wax-up (per tooth)	6 400
Clinical Try-in and Adjustment of a Restoration	3 200
Individual dental tray	5 100
Removal of Crown from Implant	6 500
Removal of Crown from Tooth	5 000
Bonding of a Single-Unit Restoration from Another Dental Provider	20 000
Complicated prosthesis/orthodontic planning	40 000
Broken denture repair/ Complete reline	13 600
Repair of an Externally-Fabricated Prosthetic Device	100 000
Baselining of dentures in the laboratory	17 000
Occlusion analysis/ T-scan	15 000
T-scan control examination	8 100
Occlusal template, 1 unit	7 370
3D model printing (1 model)	8 400
Temporary prostheses	
Temporary crown by direct method	9 000
Temporary crown	14 900
Provisional Crown on Implant (Laboratory-fabricated)	21 000
Interim/Long-Term Provisional Crown (including PFM crown)	50 000
Nonremovable prostheses	
Combination Crown (Special Alloy)	240 000
Ceramic Restoration (crown, inlay, veneer)	90 000
Enhanced Aesthetics Ceramic Restoration (crown, inlay, veneer)	120 000
Core Inlay	25 500
Core Inlay (Special Alloy)	180 000
Core Inlay with Ceramic Facing	35 500

Abutment supported primary element of the bar (chrome-cobalt alloy)	45 000
Custom-Milled Metal Bar	75 000
Removable prostheses	
Clasp Replacement in Removable Partial Denture (per unit)	42 000
Metal framed RPD	235 000
RPD attachment	26 200
Telescopic attachment (1 unit)	38 000
Immediate Denture (per jaw)	100 000
Full denture	200 000
Partial Removable Denture (up to 4 artificial teeth)	75 000
Partial Removable Denture (up to 13 artificial teeth)	165 000
Removable dentures or frame correction	5 000
Correction/Adjustment of a Removable Prosthesis or Splint fabricated by another provider)	15 000
Orthodontics	
Diagnostic Services	
Orthodontic diagnostics (including CT scan +3D cephalometry)	11 000
Orthodontic diagnostics advanced (including CT scan + 3D cephalometry)	12 000
Multi-Scan Protocol (Treatment Plan + CT Scan + Intraoral Scan)	13 000
Virtual Set-Up Creation	19 500
Orthodontic treatment plan (simple)	5 000
Orthodontic treatment plan (complicated)	10 000
Vestibular braces	
Traditional Metal Braces, 1 jaw	80 000
Esthetic Braces, 1 jaw	110 000
Braces Placement / Bonding, 1 jaw	60 000
Partial Braces, 1 jaw	70 000
Partial Braces Placement / Bonding	35 000
Vestibular braces correction, 1 jaw	7 000
Leveling of malocclusion, activation of the MEAW system (one visit with an interval of 4 weeks, two jaws)	15 600
Leveling of malocclusion, activation of the MEAW system (one visit with an interval of 2 weeks, two jaws)	7 800
Installing the Maligan expansion arc, one jaw	17 700
Multiloop edgewise archwire production	12 000
New multiloop edgewise archwire fixation	1 000
Additional order of a metal bracket	3 400
Additional order of an aesthetic bracket	5 200
Ortho braces debonding, 1 jaw	6 040

Virtual set-up model with indirect fixing tray, 1 jaw	12 900
Directly Fabricated Orthodontic Appliance / Aligner	6 500
Laboratory-Fabricated Orthodontic Appliance (custom aligner/splint)	16 000
Comprehensive Orthodontic Service	6 500
Invisible aligners	
Invisalign	1 010 000
Invisalign Lite/First, 2 jaws	870 000
One additional pair of Invisalign aligners	96 000
One additional/lost aligner, 1 jaw	14 500
Wear indicators for Invisalign aligners, 2 jaws	18 000
Scheduled visit/ correction during treatment on orthodontic aligners	3 200
Vivera retentive tray, jaw	74 360
Fixation of attachments, 1 jaw	16 500
Star Smile aligners	
Treatment using aligners Star Smile IQ5 / Teen Smile 5 (the number of aligners is not more than 5 pieces)	130 000
Treatment using aligners Star Smile IQ 10 / Teen Smile 10 (the number of aligners is not more than 10 pieces)	250 000
Treatment using aligners Star Smile IQ 20 / Teen Smile20 (the number of aligners is not more than 20 pieces)	400 000
Treatment using aligners Star Smile IQ Full / Teen Smile Full (number of aligners from 21 pieces)	800 000
Spark aligners	
Treatment using aligners Spark 10 (2 jaws, the number of aligners is not more than 10 pieces)	495 000
Treatment using aligners Spark 10 (1 jaw, the number of aligners is not more than 10 pieces)	298 000
One additional set of aligners Spark 10	72 500
Treatment using aligners Spark 20 (2 jaws, the number of aligners is not more than 20 pieces)	753 500
Treatment using aligners Spark 20 (1 jaw, the number of aligners is not more than 20 pieces)	378 500
One additional set of aligners Spark 20	147 300
Treatment using aligners Spark Advanced (2 jaws, the number of aligners is more than 21 pieces)	960 300
Treatment using aligners Spark Advanced (1 jaw, the number of aligners is more than 21 pieces)	557 300
Angel Aligner aligners	
Treatment using aligners Angel Aligner 10 (2 jaws, the number of aligners is not more than 10 pieces)	480 000
Treatment using aligners Angel Aligner 10 (1 jaw, the number of aligners is not more than 10 pieces)	420 000

Treatment using aligners Angel Aligner 20 (2 jaws, the number of aligners is not more than 20 pieces)	620 000
Treatment using aligners Angel Aligner 20 (1 jaw, the number of aligners is not more than 20 pieces)	604 000
Treatment using aligners Angel Aligner 30 (2 jaws, the number of aligners is not more than 30 pieces)	814 000
Treatment using aligners Angel Aligner 30 (1 jaw, the number of aligners is not more than 30 pieces)	735 000
Manufacture of one additional set of Angel Aligner aligners, difficulty level 1	23 600
Manufacture of one additional set of Angel Aligner aligners, difficulty level 2	104 000
Treatment using aligners Angel Aligner Unlimited (2 jaws)	890 000
Treatment using aligners Angel Aligner PRO Unlimited (2 jaws)	1 010 000
Treatment using aligners Angel Aligner KID1	425 000
Treatment using aligners Angel Aligner KID2	473 000
Angel Aligner Positioner/Spikes for tongue	36 600
Angel Aligner Mandible Extension Option	85 000
Retention	
Acrylic occlusal splint (retainer) made in the laboratory	10 000
Acrylic occlusal splint (retainer) with transposition (1 tooth)	16 900
Acrylic occlusal splint (retainer) with transposition (2 teeth)	18500
Wire Retainer Bonding (per tooth)	3 000
Wire retainer removal, including polishing, per jaw	5 500
Retainer (special alloy)/ per tooth	11 000
Ortho plates	
Herbst / Forsus Appliance	68 800
Froggy mouth appliance	28 600
Non-removable appliance with tongue flap	101 640
Marco Rossa ortho system	72 500
Marco Rossa installation	18 150
Removable Orthodontic Plate with Additional Elements (up to 2 elements)	21 250
Removable Orthodontic Plate with Additional Elements (more than 2 elements)	26 000
Space maintainer	13 700
Space maintainer installation	6 650
Athletic trainer	22 000
Mouth Vestibular Plate (MVP)/ Bruxchecker	10 140
Distal Jet	30 450

Aquasplint/ Aqualiser	25 360
Myofunctional Therapy / Treatment with a Myofunctional Appliance	18 500
Splint	69 850
Follow-up oral exam, who undergo orthodontic treatment in another clinic	15 000
Broken plate repair/ Rebasing	12 000
Broken plate repair/ Rebasing Fortex	27 500
Express Service Charge	20 000
Express charges (Appliance "Ring-loop")	13 689
Express charges (Marco Rossa ortho system)	72 490
Installation of attachments for mini implant, per tooth	5 170
Correction with mini implants, per tooth	4 169
Mini-Implant Removal (per tooth)	2 800
Myofunctional orthodontics	
Individual appointments	
First Myofunctional Dentist Consultation	3 600
First Orthodontist consultation including myofunctional device selection (the cost of the device is not included)	5 300
Follow-up Orthodontist consultation including myofunctional device selection (the cost of the device is not included)	4 000
Myofunctional Dentist appointment (individual for children over 6 years)	5 990
Myofunctional Dentist appointment (individual for children up to 6 years)	6 990
Myofunctional Dentist appointment (individual online appointment for children over 6 years)	5 990
Myofunctional Dentist appointment (individual online appointment for children up to 6 years)	7 090
Miscellaneous	
Medical supply after surgical procedure	4 700
Medical supply after complicated surgical procedure	6 500
Express charges for prosthetic production (per unit)	45 000
Tooth extrusion	79 800
Comprehensive Dental Service (Advanced Complexity)	30 000
Medical translation (per page)	2 000
After-hours extra charge (21.00 -24.00); (6.00 - 9.00)	10 000
Night time extra charge (24.00 - 06.00)	15 000
Transportation (one way)	3 000
Medications	-
